

DISABILITY EQUALITY

The admission of students with disabilities to Moulton School is arranged by Northamptonshire Local Authority in line with the County's published admissions policy. Moulton School will take all reasonable steps to ensure that students with disabilities are given fair access to the site and its facilities, within the constraints of the existing buildings.

Under the terms of the Disability Discrimination Act 2005, Moulton School aims to proactively promote disability equality for all stakeholders, not just students.

As a General Duty we will strive to :

Eliminate discrimination

Eliminate harassment related to a disability

Promote equality of opportunity between disabled people and other people

Promote positive attitudes towards disabled people

Encourage participation by disabled people in public life

Take account of people's disabilities even if this involves treating disabled people more favourably than other people

Our full equal opportunities policy, incorporating disability equality, is available on our website or upon request. The school undertakes an annual action plan and review, promoting equality of opportunity, which is reviewed by the Governing Body
