PARENTS/GUARDIANS OF YEAR 11 STUDENTS

23 January 2012

Dear Parents/Guardians

YEAR 11 PARENTS EVENING : 4.30 – 7.00 PM, THURSDAY, 2 FEBRUARY

There will be an opportunity on Thursday, 2 February from 4.30 to 7.00 pm for parents to come into school to speak to staff who teach Year 11 students

When you return the attached slip, indicating you will be attending during the evening your child will receive an appointment card to complete. It is the responsibility of students to approach teachers to make an appointment to ensure minimum waiting times. It will help you to organise your evening if you ask your child to leave 5 minute intervals between your appointments to allow moving time from one member of staff to another. It will also help all concerned if you limit your conversations to five minutes with each member of staff. If, as a result of your discussions during the evening, you wish to discuss some points further, would you please contact the school office to arrange to see your child's Head of House. In addition, there will be the opportunity for yourselves and your child to meet with Ruth Axtell, our Connexions Personal Adviser (07854158237 or raxtell@connexions-northamptonshire.org.uk)

Please note that parking at the school can sometimes be difficult, especially when there are events taking place at Moulton Village Hall. On parents' evenings we create additional parking space in the old playground behind the gym, access off Pound Lane and the top playground, access via the main school gate. I would ask that you sign in on arrival please.

The Parents' Evening will mainly be held in the English Block with Design subjects in room D7 in the main block, both of which can be accessed via the Main Reception and are suitable for wheelchair access. Please note that parking at the school can sometimes be difficult, especially when there are events taking place at Moulton Village Hall. On parents' evenings we create additional parking space in the old playground behind the gym, access off Pound Lane and the top playground, access via the main school gate.

Yours sincerely
